

WESTPHAL POST No. 251

ROBBINSDALE - CRYSTAL AREA

3600 FRANCE AVE. N.

ROBBINSDALE, MN 55422

Dear Friend,

On September 11, 2001, we watched in horror as 3,000 people lost their lives. In the days and weeks immediately following that date, that will live on in our memories forever, we came together as a country, celebrating the freedoms that we so often take for granted.

For a select group, that date meant even more. That group felt called to serve, to stand up and fight to protect the values we believe in.

The Wounded Warrior Project exists to serve those brave men and women who incurred a physical or mental injury, illness, or wound during their military service after September 11. This is accomplished through programs in four major categories: Mind, Body, Economic Empowerment, and Engagement. The vision of the project is to foster the most successful, well-adjusted generation of wounded service members in our nation's history.

The Wounded Warrior Project's tagline is: "The Greatest casualty is Being Forgotten." The Women's Auxiliary of Robbinsdale/Crystal Westphal American Legion Post 251 wants them to know they have not been forgotten.

On September 12, 2015, We will be holding a silent auction to raise funds for The Wounded Warrior Project, and ask that you consider donating a prize to be sold. In 2014, we raised \$18,623.51, with your help we hope to surpass that amount this year. Your contribution will help to ensure that this great generation of soldiers knows how much we appreciate their service and will go a long way to helping them and their families get back on their feet.

Thank you in advance for your consideration of this request. We appreciate your help in making our event a success.

With Gratitude,

Kathy A. Gustafson
